

The logo for 'Start Smart' features the word 'START' in a large, bold, blue, blocky font with a white outline and a slight 3D effect. Below it, the word 'Smart' is written in a red, cursive script font with a white outline. The background of the logo is a blurred image of a car's interior, showing a steering wheel and a yellow seat.

START
Smart

Start Smart began as a local program at the Monterey CHP area office in 2002. After seeing much interest and participation by teens and parents, Start Smart developed into a statewide grant funded by the Office of Traffic Safety.

Recently, several counties throughout the state have begun mandating Start Smart attendance to juvenile traffic offenders and/or offering Start Smart attendance as an alternative to traditional traffic schools.

START SMART PROGRAM

Start Smart program is a driver safety education class which targets new and future licensed teenage drivers between the age of 15 - 19 and their parents/guardians.

START SMART

During a Start Smart class, officers discuss:

- collision avoidance techniques***
- collision causing elements***
- driver/parent responsibilities***
- seat belt restraints***

testimonials are provided by officers who have investigated fatal collisions involving teens, in addition to testimonials from parents whose children have perished in collisions.
